

The backbone of European logistics

125 Daily road routes and 50+ weekly flights to help expand your business reach

Flexible and reliable transport solutions

With our expertise in domestic and international linehaul, we strive to optimise transportation routes, streamline operations, and enhance overall efficiency for our clients with fast, timely deliveries across Western Europe, the UK, and Ireland.

We keep growing and developing solutions that can meet our clients unique requirements. For this reason, Carousel is fully equipped to design tailored solutions also for organisations seeking coverage beyond our core territories.

OUR NETWORK FEATURES

Intermodal distribution

From air charter to road freight, we have you covered. We also offer on-board courier (OBC) service for secure, custom solution and dedicated couriers handling.

Scheduled & ad-hoc operations

Choose between scheduled and reliable distribution, tailored to your business needs, or fast ad-hoc solutions ready within 15 minutes, from enquiry to booking.

Cross-border expertise

Our in-house customs brokerage helps you expedite your shipments with rapid clearance processes, fully compliant with the current customs regulations.

Late collection cut-offs

With cargo flights taking place late in the evening, we can offer last-minute adjustments to the collection schedule to better fit your business operations.

BIFA Extra Mile Award 2025

Recognised by the British International Freight Association for outstanding performance in final mile delivery. A testament to our commitment to getting it right, every time, for the most demanding supply chains in Europe.
